## **REPORT ON LEGAL SURVEY AT NELLANAD PANCHAYATH**

In pursuit of fostering legal empowerment and social justice, Mar Gregorios College of Law established a Legal Aid Clinic to bridge the gap between legal knowledge and access to justice. As part of our commitment to community engagement, the clinic initiated a collaborative endeavour with Nallanad panchayat, aiming to extend legal assistance and awareness to the grassroots level. The Legal Aid Clinic undertook various activities and initiatives in partnership with the Gram Panchayat, facilitating meaningful interactions between legal practitioners, students, and the community members. Increased access to justice and justice for all Indian residents is the only coherent and practically sound justification for implementing the Panchayat Raj System, as Mar Gregorios College of Law made clear when presenting its project to the Nallanad Panchayat.

Nallanad Gram Panchayat is a rural local governing body situated within the Vamanapuram Panchayat Samiti, which is part of the administrative structure of the Thiruvananthapuram Zila Parishad in the state of Kerala, India. The Panchayat, serves as a vital administrative unit responsible for grassroots governance and community development. Recognizing the significance of legal aid in addressing socio-legal issues prevalent at the local level, the collaboration between Mar Gregorios College of Law and Nallanad Panchayat was conceptualized to leverage resources and expertise towards a common goal of enhancing legal access and awareness among the residents.

The project was directly under the Legal aid clinic which is recognised by the District Legal Services Authority of Thiruvananthapuram. The volunteers and the faculties associated with the legal aid clinic were formed as the working team for the implantation of the project under the faculty co-ordinator of Legal Clinic. The complete project were under the surveillance of High-Level Monitoring Committee comprising of members of the Panchayat and Mar Gregorios College of Law. The team consisted of:

- Project Director: Prof. (Dr.) John P C  
Principal, Mar Gregorios College of Law
- Project Advisor: Sri. M V George  
Faculty Member, Mar Gregorios College of Law &  
District Judge (Retd.)
- Project Co-ordinator: Mrs. Ushakumary K G  
Faculty Member, Mar Gregorios College of Law &  
Faculty-in-charge, Legal Aid Clinic

The project was designed as a four-year endeavour, with the eventual goal of reducing litigation in Nallanad Panchayat and raising the bar for legal knowledge and appropriate legislative execution at the local level. We intended to evaluate the project's success at the end of each year and create a report and action plan with financial allocations for the following one.

The primary objectives of the collaborative project were:

1. To conduct a door-to-door campaign and collect data regarding food and nutrition, sanitation, legal, social problems.
2. To settle disputes at the grass root level through mediation with the help of Para legal volunteers and students of Mar Gregorios College of Law
3. To conduct adalats and settle disputes.
4. To give free legal aid to those litigants whose case cannot be settled by mediation.
5. To conduct legal awareness classes to the public.
6. To establish permanent legal aid cell in every ward.
7. To recommend policies and laws for the welfare of the people.

The Legal Aid Clinic had conducted orientation to resource persons of Nellanad Panchayat titled as Niyama Mitra-2022 on 27<sup>th</sup> May 2022 at the college campus. The program was inaugurated by Sri. K.S. Jayakumar IAS, Director of Institute of Management and Former Chief Secretary of the state. The resource persons were given classes on domestic violence, sexual violence, legality of marriages, rights of elderly citizens, rights of ST/SC communities and laws on construction. The classes were taken by the faculties of Mar Gregorios College of Law. The classes were attended by 90 resource persons which included the President, Vice President, ward members, Asha workers, A.D.S secretary, Kudumbasree, CDS members, Arogyasena, etc. The students of Mar Gregorios College of law were grouped and had conducted surveys on 15 wards of the panchayat accompanied by a faculty and the member of the respective ward.

All the information collected by the students through surveys conducted in the panchayat and other studies along with project report were handed over to the Nedumangad Taluk Services Committee for the effective implementation of the project throughout Nallanad Panchayat.

The project assisted the students in analysing how society and law interact. They had the chance to engage with contemporary challenges and obstacles first hand. The project also assisted the panchayat in generating ideas based on policies that may be converted into recommendations, which can lead to advancements.

## VISIT TO SNEHAVEEDU

19 December 2022

On 19<sup>th</sup> December 2022, a team of faculty members and students of Mar Gregorios College of Law visited the Mar Gregorios psycho social Rehabilitation Centre at Nalanchira as part of sharing the joy of Christmas. Students sang songs and engaged with the inmates for a few hours and inmates also performed. Sweets and refreshments brought by the students were shared with the inmates of Snehaveedu.

Students and faculty members engaged in discussions with the authorities of Archbishop Mar Gregorios Snehaveedu on the effectiveness of community-based rehabilitation approach in improving the function and quality of life to mentally ill people and the need for organizing awareness programmes so as to eliminate the stigmas and stereotypes associated with mental illness. As aspiring legal professionals and administrators, this centre visit helped students to understand their decisive role as socially committed individuals in shaping the legislations and policy decisions pertaining to mentally disabled in India. Overall, the visit became a memorable and unique learning experience for the students and faculty alike.
