## **REPORT OF THE SEMINAR UNDERSTANDING ORAL ARGUMENTATION**

**JUNE 14, 2022**

A very informative session, dealing with every nuances of mooting with some perfect examples. It made mooters think about the whys and why nots of some basic concepts of law and also gave us a reality check- to keep ourselves updated and to constantly put efforts to read and understand the law and its concepts. The session was literally nothing less than a practical mock trial itself. Mooters got to experience a perfect blend of understanding as to how to apply logic and law in factual scenario and a motivation to participate in more Moot Court Competitions. The session was attended by 67 students.
