## **REPORT -AMBEDKAR JAYANTHI CELEBRATION**

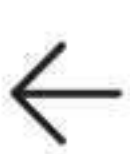

The Centre For Constitutional Studies of Mar Gregorios College Of Law, Trivandrum, conducted a webinar session on "ROLE OF AMBEDKAR IN TRANSFORMING INDIAN LEGAL SYSTEM" on April 13, 2022, to mark the 131st birth anniversary of Dr.B.R Ambedkar. The resource person for the webinar was Prof. V. Vijayakumar.

Prof. V. Vijayakumar is an education administrator. He was a professor at the National Law School of India University. He is also serving as the president of the CLAT Consortium. He is the former vice-chancellor of Dr. Ambedkar Law University, Chennai, between July 29, 2010, and July 28, 2013. He is a member of the Academic Council of National Law University, Delhi. Bhimrao Ramji Ambedkar fondly remembered as the Father of the Constitution of India played a crucial role in shaping the vibrant democratic structure that India prides itself upon. His birthday is celebrated as Ambedkar Jayanti or Bhim Jayanti on April 14 every year. The day is also commemorated as Equality Day across the country.

The webinar witnessed participation from students of all batches, faculty members, and the director of the college. The resource person initially addressed the topic by mentioning the critical role played by Dr.B R Ambedkar in the development and transformation of India's legal system, particularly in the drafting of the Indian Constitution. Ambedkar was the chairman of the Constituent Assembly, which was responsible for drafting the Indian Constitution. He played a central role in the drafting process and is credited with making significant contributions to India's legal and constitutional framework. In addition to his work on the Indian Constitution,

Ambedkar also played a crucial role in reforming India's legal system. He was a strong advocate for the codification of India's laws and worked to modernize and streamline the legal system. He was instrumental in passing the Hindu Code Bill, which reformed Hindu personal law and granted women greater rights and protections. Overall, the resource person discussed Ambedkar's contributions to the development and transformation of India's legal system.

Finally, the discussion was routed to a question, and answer session wherein questions were asked, and the questions were extensively deliberated upon. The resource person also offered his thanks to all participants in this webinar.

**A green volunteer initiative**

The Centre for Environmental Studies organized class memory tree and adopt a plant campaign in connection with world environment day 2022. The main concept with this initiative was to encourage students in leaving a memory of their class in the campus and also to make them realize the significance of tree planting and maintenance.

The program was inaugurated by Ms. Deepa Ananthapadmanabhan , Co- Founder Of Sustera NGO.

Each Class and Centers of Excellence were given tree saplings for planting and adoption.

## 2. Seminar on Sustainability and Youth

The Centre also organised a seminar on Sustainability and Youth. Ms Deepa Ananthapadmanabhan, explained to the student participants the relevance of Sustainability and the role the younger generation can play in promoting sustainability. The program also witnessed the experience sharing session by Ms. Christa Jai , 5<sup>th</sup> semester BA LLB on her internship days at National Green Tribunal.

## **ANNUAL SPORTS REPORT 2022-23**

A vital component of the entire educational system is physical education. It assists in achieving holistic development, which is the ultimate goal of education. On February 24, 2023, the much-anticipated Annual Sports Day was held on the ground of Mar Ivanios College, Nalanchira. There was a lot of enthusiasm, energy, and a playful vibe to the morning. The proceedings of this auspicious day commenced with the act of lighting the torch by the Principal.

Sports and games are quite important in a student's life. For a student to succeed in competitive exams, they must study diligently. But in order to appreciate life's health and vitality, one should also engage in sports and games. A student should engage in sports and activities in addition to academic study. We get exhausted when we work or study by ourselves. We are no longer capable of performing any task.

Playing sports relieves our mental fatigue. Without sports, education is not complete. It aims to succeed at every turn and bring honors to the college. The assistance of the teachers helps us to keep getting better at sports. It's one of the biggest extracurricular programs, providing a wealth of opportunities for all students and staff. These competitions also provide a respite from the mundane responsibilities of everyday life and revitalize them.

Our college participants in the following sports (football, cricket, basketball, men's and women's divisions), chess, table tennis, athletics, boxing, men's and women's divisions, and taekwondo) begin practice sessions early in the semester and put in a lot of effort to turn their sweat into trophies and increase our college's reputation.

The following events have been organized for the inter-class sports tournaments for students:

1. CRICKET
2. VOLLEYBALL
3. TABLE TENNIS
4. CHESS
5. ATHLETICS
6. BASKETBALL
