

30 Hour Certificate Course on Legal Aspects of Startups – February 12 – March 5, 2024 .

Centre for intellectual property rights, Mar Gregorios, college of law in collaboration with Law Teachers India, Legal start-ups and Mar Baselios College of Engineering and Technology, Trivandrum, organized the 3rd edition of the online short-term course on legal aspects of start-ups. The Kerala Start-up Mission joined the venture as its official partner. It was conducted from February 12th to March 3rd 2024. Online sessions were scheduled everyday from 7 to 8.30 pm. It consisted of a lecture followed by an interaction wherein participants could join in through a question answer model discussion.

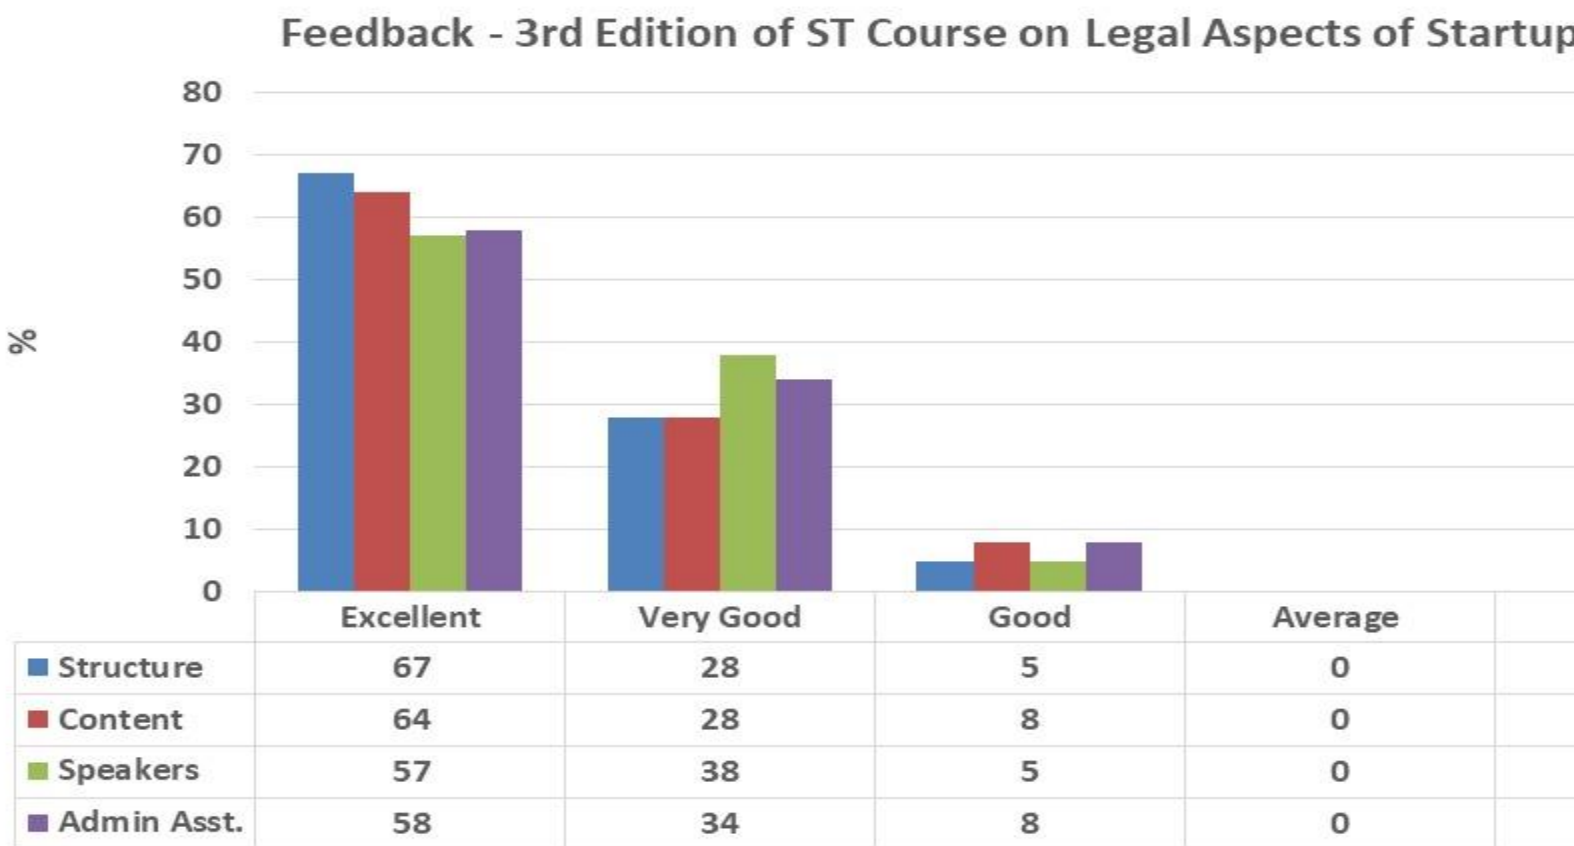

The course was attended by a whopping 100 members - an assemblage of students, start-up founders, entrepreneurs, faculty members, researchers and professionals interested in understanding the complexities of start-ups. The program culminated in a time bound online MCQ examination and a minimum of 50% marks determined the eligibility for a pass Certificate.

The curriculum for the course was comprehensive and covered a wide array of topics, commencing with initiatory concepts such as Introduction to start-ups,

Forms of business and types of entrepreneurship – Partnership, LLP and Company . Then an incipient overview of IPR, through sessions on Trademark, Patents, Design, Copyright and Geographical indication came next in line. Start-up is a complex terrain and navigating it in the context of labour law and company law management, keeping track of government policies and schemes, executing the business plan and pitch, monitoring the concessions available in income tax ,drafting contracts and other legal documents, HR management etc is no easy task. The sessions extensively furnished a run down on all these above mentioned topics without trying to overwhelm a complete beginner .

The final session was accompanied by a feedback forum and thus the participants could voice their thoughts regarding the course directly. It was followed up by an online feedback form provided to the participants to pen their opinions about the course as well.
