Centre for Women and Law

Report of Kanal Fest - Awareness session on Gender relations and Sexuality

The Centre for Women and Law in collaboration with Department of Women and Child Development, Govt. of Kerala organised Kanal Fest 2023, an awareness session on Gender relations and Sexuality on 8th November 2023. A total of 240 students participated in the session. The session was handled by Ms. Jisha Thyagraj, Director, Kanal and Mr. Sangeeth Sebastian Gender and Sexuality Expert. Gender relations and sexuality are central to the fabric of human society, influencing personal identity, social interactions, and cultural norms. Over time, both have evolved in response to changing social, political, and cultural forces, and today, these areas are seen as diverse, fluid, and multifaceted. While significant progress has been made toward gender equality and sexual acceptance, challenges remain in ensuring full rights, representation, and social inclusion for all individuals, regardless of gender or sexual identity. Understanding and addressing the complexities of gender relations and sexuality are essential for building a more equitable and inclusive society. The resource persons also discussed on discrimination, harassment, and violence against LGBTQ+ individuals continue in many countries, and issues like access to healthcare, education, and legal rights are still contentious. Additionally, the role of digital technology in shaping modern sexual practices and relationships presents new questions about consent, privacy, and exploitation.
