

## Poster awareness campaign and Eco Pledge Renewal

Date of the programme: December 5<sup>th</sup>, 2022

Importance of the day: World Soil Day

Each year on December 5<sup>th</sup> World Soil Day is commemorated highlighting the importance of healthy soil and advocating sustainable management of soil resources. The Centre for Environmental Studies and Paryavaran Mitra: Eco club is celebrating the same on 12, December 2022 through conducting the following activities

- ) Handmade posters on creating awareness of soil conservation
- ) Renewal of Eco Pledge by reciting the pledge and imprinting hand using soil on banner as a replica of the oath taken
