Report on Pre-Conclave Conference

On 13th March 2024, Mar Gregorios College of Law organised a pre-conclave conference with reference to National Conference in collaboration with Kerala State Higher Education Council Government of Kerala. A total of 102 participants attended the conference. The conference organized a media conclave followed by a Ngo conclave. The key highlights of the conclave were to explore the interconnections between education, environment, and economy in achieving sustainable development goals by 2030, also to deepen the understanding of the challenges faced by marginalized communities in accessing education, participating in sustainable environmental practices, and benefitting from economic development. Various stakeholders and eminent speakers attended the programme.

CONFERENCE OBJECTIVES

- » To explore the interconnections between education, environment, and economy in achieving sustainable development goals by 2030
- » To deepen the understanding of the challenges faced by marginalized communities in accessing education, participating in sustainable environmental practices, and benefitting from economic development.
- » To explore the strategies adopted by SHREYAS to empower the vulnerable tribal groups in Malabar and Wayanad regions.
- » To expose the footprints of a reformer - Cyril Mar Baselios Catholicos
- » To discuss ways to ensure environmental justice for marginalized communities, including access to clean water and sustainable energy sources, and protection from environmental hazards.

- » To identify policy gaps and to advocate for policies that address the needs of marginalized communities in the areas of education, environment, and economy.
- » To converse strategies for building the capacity of marginalized communities to participate in decision-making processes related to education, environment, and economy.
- » To facilitate partnerships and collaborations between government agencies, NGOs, academia, and marginalized communities to address the specific needs of vulnerable groups.
- » To develop mechanisms for monitoring and evaluating the impact of policies and programs aimed at improving the lives of marginalized communities in the areas of education, environment, and economy.
- » To provide a platform for knowledge sharing and networking among stakeholders working with marginalized communities to promote best practices and innovative solutions.
