MAHARASHTRA NATIONAL LAW UNIVERSITY MUMBAI

Dear Prof. John P.C.,

Greetings from MNLU Mumbai!

We take this opportunity to thank you for your collaboration and support in organising:

- (1) Online Certificate Single Credit Course on Intellectual Property Rights in India and their Protection (March 2021)
- (2)
- (3) National Conference of Environmental Law Faculties & National Seminar on Environmental Crimes (December 2021)

The two events exemplified collaboration for quality improvement of students and faculty members. The events were a grand success based on the positive review and feedback received from the participants. The events were also an occasion to share best practices on promoting research activities across legal institutions. We look forward to continuing this collaboration in future events too.

With warm regards,

Yours Sincerely,

Anil G. Variath
