Dear Sir,

The Snehaveedu family is thankful and grateful for your regular support rendered to us. There are many inmates in our home who needs legal help to establish their rights guaranteed by law. The issues involving disability rights, property rights etc., of the inmates are to be resolved and we seek your expertise for the same. We will be grateful if you can establish a legal aid centre to help us in resolving these issues on a regular basis.

Thanking You

Fr. George Joshua Kanneeleth
